

Make The Voice Of Your Heart SING

BALI - A Jewel on the Inner Journey

The Island of Bali, Indonesia, the island of the Heart-Chakra will be the site of the seminar, where you become aware of the vibrations of your heart, heal old inner wounds, feel your strength, love and tenderness and gain more self-awareness and consciousness .

Radiate your sensual energetic presence through movement, dance, art-, voice- and energy work. Gestalt therapy, meditation and healing massages will guide you along your path.

Wake up and unfold your deep potential

Learn to bring the inner visions of your heart into presence.

Experience ways to manifest your visions

The tropical Vegetation, the sea, a tempting pool and lush nature enclose a beautiful Seminar Center on the untouched North-East-Side of the island. „Abasan our [hillside retreat](#) is laid out on terraces, hidden amongst emerald foliage, surrounded by beautiful gardens with hewn stone paths, high above the ocean. In addition to six bungalows and a guest house spread over the hill, we have a dining terrace, delicious vegetarian food, a pool, a meditation and seminar room and a spa, which are at the disposal of all guests. During the 7-days seminar there is also time to relax and enjoy nature. We will celebrate Christmas with a special feast. We may have the opportunity to see the graceful art of Balinese Dancers or visit hot springs to pamper oneself.
