BEAUTIFUL SEMI - DETACHED HOUSE IN THE NORTH OF BALI (TEJAKULA) WITHIN THE SEMINARCENTRE AND RESORT GAIA-OASIS

This lovely semi detached house is situated on top of a magical mountain in the north of Bali, near the little village Tejakula. The guesthouse is part of Gaia-Oasis which is a blossoming seminar and meditation centre. Now a new place for an inventive shareholder is here for you. This semi detached house is built in the traditional Balinese style with a straw roof. The wonderful 22 square metre combined bed and living room is built in an octagon style (Fengshui is an old tradition on Bali) which may lead you to relaxed dreams. You have an open air bathroom and toilet, a portio and a lovely little kitchen. The room is fully furnished. The garden is full of tropical flowers and well cared for. The house is carefully looked after. We have a night guard, gardeners and a committed cleaning team.

You can reach the volcanic beach by car in only 10 minutes and Gaia-Oasis has a shuttle service free of charge. Your house on the hill is safe of flooding. On the beach there is another smaller property that is part of Gaia-Oasis (www.gaia-oasis.com). You can relax in your house, enjoy your holidays, you can make the winter shorter in an ever sunny climate, or you can work and cooperate as a seminar-leader and therapist, offering your courses here.

GUESTHOUSE IN THE BUDDHIST STYLE

I am selling a guestroom on the first floor of our lovely Buddhist house. The nice combined bed and living room has a terrace with a nice sea view. It is fully furnished and has an open air bathroom and toilet. Here you can relax, meditate or invite your friends for a stay.

The guestroom is under permanent maintenance. We have a night guard and a committed cleaning team..
