- From Denpasar, get on the Ngurah Rai bypass road towards Sanur and continue your journey until you find the Tohpati village intersection.
- At the intersection, turn right towards Batubulan village. At the T-junction in Batubulan, go straight towards Singapadu, Sayan and Payangan village. Continue your journey until you reach the Kintamani T-junction.
- At the T-junction, turn left. Follow the road for approx 12 km and you will reach Dausa village. Look for a road sign pointing to the villages of Bondalem and Madenan, and turn right at that junction. There is a Gaia-Oasis stone marker at the junction.
- You will drive along a winding mountain road. After approx 10 km, you will pass a milestone marked TKL 5 (5 km to Tejakula town centre); as you come to a sharp downward curve in the mountain road look for a tall white flag and a small sign with the **Gaia-Oasis Abasan** name and logo. Turn right into a small road flanked by tall white & yellow flags. Continue to the end of the road, and you will arrive at **Gaia Oasis Abasan** (mountain retreat).
- If you are going to **Gaia-Oasis Pantai** (beach resort), go straight instead of turning right. Continue down the mountain for another 2.2 km and you will come to a T-junction at the foot of the mountain. Turn right towards Karangasem, follow the Gaia-Oasis signs and drive for another 2.6 km until you see 2 tall white & yellow flags flanking a narrow lane on your left.
- Turn left into the lane, about 40 meters down you will see the parking area to your right. Park your car here and then follow the small path 400 meters on foot until you come to **Gaia-Oasis Pantai** by the ocean. Please inform us of the approximate time of your arrival, so that our staff can meet you at the parking area and help carry any luggage.

Have a pleasant drive and welcome to Tejakula!
